

# **AMBUSH**

## **Rules and Regulations**

### **The Game**

Turn reset selector to left to zero the highest score, as required.

Tell the rider to shoot the body of any cowboy; the game will then start, and the current score will reset from the previous player.

10 points for a head shot

5 points for a body shot.

After 60 seconds the targets are inactive, (shooting sounds remain)

After 20 seconds the game is reset automatically then next player can start the game by shooting the body of any cowboy. The current score will reset, but the highest score will remain the same unless beaten.
